San Bernardino Forest Lands Opened July 1

Starting July 1, 35,000 acres of forest land will be opened to sportsmen in San Bernardino county. Opening of the closed area was approved by the San Bernardino county board of supervisors on recommendation of the U. S. Forest Service and sportsmen groups.

A diamond will glow in the manner of luminous paint after exposure to sunlight or in the presence of radium.

Rotarians Elect S. K. Guernsey As President

At the 38th annual convention of Rotary International, which winds up its five-day session today in San Francisco, delegates representing 6,200 Rotary clubs with a membership of 302,000 business and professional executives in 76 different countries, elected S. Kendrick Guernsey of Jacksonville, Fla., as president of that world-wide service organization for 1947-48.

Guernsey is executive vice president of the Gulf Insurance Company of Jacksonville, and since 1933 he has been secretary of the National Boys and Girls Week committee.

Elected to Rotary's 1947-48 board of directors were Tom Benson of Sussex, England; Laurio Borba of Recife, Brazil; Daniel de Jongh of Rotterdam, the Netherlands; Gil J. Puyat of Manila, the Philippines; Charles Jourdan-Gassin of Nice, France; Aly Emine Yehia Pasha of Alexandria, Egypt and six additional directors from the United States and Canada.

One of the largest conventions held anywhere in recent years, and perhaps the most international, the Rotary convention attracted more than 23,000 Rotarians and members of their families from 50 different countries.

Theme of the convention was "Living Together in Friendship and Understanding," based on the internationality of the Rotary organization. In the formal convention addresses and in informal discussion groups, emphasis was given to the contributions which Rotarians around the world are making to advance the general program of the United Nations.

Rotary's 1948 convention will be held in Rio de Janeiro, Brazil, the week of May 16.

SALT LAKE No fish live in Great Salt Lake, Utah, because the average salinity is almost six times greater than that of the oceans.

Chickenpox Explained By Health Officer

Chickenpox is a common communicable disease transmitted from person to person through discharges from the mouth, nose and skin lesions. Although in ancient times it was confused with smallpox, modern medicine finds it has no connection whatsoever—in fact, smallpox vaccination gives no immunity against chickenpox.

Needless Alarm By Motorists In Fuel Shortage

Apprehension was expressed today by H. D. Collier, chairman of the board of Standard of California that west coast motorists have been "needlessly alarmed" by reports that gasoline supplies might be severely curtailed.

Adequate Supply Of Irrigation Water Predicted

Despite a decrease in water levels in the underground storage basins and in reservoirs, there will be plenty of water for irrigation purposes in Los Angeles County this summer, Supervisor William A. Smith predicted.

Torrance Men Aboard Carrier, Cross Equator

Robert R. Wallace, 22, chief pharmacist's mate, husband of Mrs. R. R. Wallace of 2119 Border ave., and L. B. White, 25, electrician's mate, first class, husband of Mrs. Marjorie M. White, 802 Sartori ave., were initiated into the "Royal Order of the Deep" and the "Imperial Domain of the Golden Dragon," when they crossed the equator aboard the aircraft carrier USS Antietam.

Good-neighbor policy party-line style

To provide telephone service to more people, there are more party lines in use these days than ever before...and most telephones are busier than ever before. When you share a line with one or more parties, you'll all get the most from your telephone service if you'll remember...

Five Golden Rules for party-line neighbors

- Space your calls instead of making an extended series of them...and talk only as long as necessary. If yours is an emergency call, and the line is in use, explain the circumstances to the person using the line. If you are calling from a dial telephone, always make certain the line is clear before you dial. Ask your youngsters not to monopolize the telephone. Replace the receiver properly when you finish your call.
